The Easiest Way to a Beautiful Finish

Designed for easy application, MiYO® High Performance Glaze self-levels into a thin, uniform layer that enhances form and surface details without puddling or running.

Effortless Application. Beautiful Results.

- ☞ Natural enamel-like luster
- / Effortless application
- 🔥 Complete coverage in one firing
- 🚫 Self-leveling, no puddling
- = Uniform film thickness

“

MiYO High Performance Glaze is unlike any glaze I've used before. The application is seamless, it self-levels perfectly and the final esthetics are beautiful. Nothing compares to it.”

Kite Saito
